

About Main Library Alliance:

We are proud members of the Main Library Alliance, a nonprofit network of 49 public libraries located in Hunterdon, Morris, Somerset and Warren Counties. Main's mission is to lead and encourage collaboration, resource sharing, staff development and innovation by providing high-quality, cost-effective shared services to member libraries for their communities, fostering the exchange of ideas and experiences within our network. As a member of Main, our patrons have access to over 3.1 million physical and digital items, including but not limited to eBooks, audiobooks, movies, music, games, and of course, books. Our library also participates in the NJ Open Borrowing program through Main, enabling patrons to borrow materials in-person from participating libraries outside the Main service area. Main maintains our libraries' computer systems and hosts a system-wide mobile app for patrons. Main's commitment to cutting-edge technology inspires our patrons to "Listen, Read and Learn," enriching their lives. The partnership and cooperation of Main's member libraries and supporters make this all possible.
